Preface

Reinforcing alumni linkages and fund raising are relatively new for IIT Kanpur and we are still on a learning curve for the same. Donations from alumni are important not only from the financial inputs perspective, but also make alumni important stakeholders in the Institute, making us more accountable towards scaling even greater heights in excellence.

This Annual Report goes out to alumni and friends of IITK to share with them the progress on these agenda during this past financial year that ended on March 31, 2006. In many respects, as this report will show, it was a truly eventful year.

During the year, the *Alumni Association* of IIT Kanpur made major changes in its constitution and stepped up some of its activities. The Association held its first election under the new constitution with alumni from across the world voting electronically. The alumni data base increased from about 43% alumni in April 2005 to about 55% alumni in April 2006. More details of AA activities can be seen on their web site www.iitkalumni.org

The present vision at IITK is to utilize the donations for encouraging excellence in the Institute by supporting faculty and students. Support is being extended to those activities that are congruent with this goal but cannot be supported through government grants. And the response from alumni and friends of IITK has been very encouraging. The number of alumni donors to IITK during the year doubled to 295, as against 142 alumni donors the previous year. The total number of donors (including alumni and non-alumni) stood at 501, as against 223 the previous year. The total amount of donation received was Rs 2.5 crores (US\$ 550,000) as compared to Rs 2.1 crore the previous year. Even though the total amount received through batch donations dropped this year (Rs 0.84 crore, as against Rs 1.23 crores earlier), the other donations (scholarships, chairs, etc) doubled (Rs 1.63 crores, as against 0.83 crores the previous year). The endowment continues to yield good rate of return, and all donation endowments were credited interest at the rate of 9.25% for the year 2005-06.

The year saw inception of several new initiatives targeted at forging stronger bonds with alumni and friends and inviting their greater participation in the academic and research activities at IITK. Some of these are *GrapeVine*—a Quarterly Newsletter, *The Way We Were*—a promotional film, revamping of the IITK and Alumni Association web sites, standardization of the norms for faculty chairs and scholarships, initiation of SURGE—Summer Undergraduate Research Grants for Excellence, and the launching of an *Annual Gift Programme*. The Annual Gift Programme was well received with 120 alumni donating during the year for this programme. Making donations to IITK has been simplified through arrangements for online disbursements by credit cards.

However, the road ahead is long wherein IITK has to address some critical areas that include, among others, improving the alumni database, increasing the number of alumni donors through an active programme of reaching out to them. The Institute must sensitize the faculty towards networking and building alumni relations, and seek active participation of students and alumni volunteers. To maintain, nurture and sustain alumni relationships in the long term, the RPG Office has also to be strengthened with appropriate professional staff.

We invite the continued patronage and support from our illustrious alumni and friends as we strive towards even greater excellence.

Connecting with Alumni

WEBSITE

The **website of IITK** was substantially improved, thanks to the generous support of Mr. Pawan Kumar (BT/CE/1969).

NEWSLETTER

Grape-Vine, a quarterly Newsletter for alumni and friends of IITK, was started during the year to provide them with a flow of information about the developments at the Institute. Soft copies of the past news letter are available at <http://www.iitk.ac.in/drpg/newsmag.htm>

FILM

A film 'THE WAY WE WERE....' has been created by students and faculty members of the Design Programme at the Institute. The film captures nostalgic impressions about student life in IITK. A low resolution copy of the same can be downloaded from www.iitk.ac.in/drpg/movie. To obtain the film on a CD, kindly send your postal address to Mr. B Bapat at bbapat@iitk.ac.in

REUNIONS AND GET TOGETHERS

The Silver Jubilee Reunion of the Class-of-81 was held on the campus during 30 - 31 December 2005. Around 70 alumni from round the globe, most of them with their families, were there for this event, which took them on a memory lane.

Class of 71 students gathered on 2 - 3 January 2006 at IIT Kanpur for their 35th year reunion. 47 alumni attended the reunion with their families

The Calcutta Chapter of Alumni Association met at Bengal Club on 6 January 2006, thanks to Mr. Sanjeev Rangrass (BT/ME/82). About 30 alumni attended the function with their families.

Revamped website

Newsletter

The Way We Were...

Reunions and Get-togethers organized

Kanpur Chapter of Alumni Association had its get together at Status Club in Navin Market, Kanpur over a dinner on 15 October 2005. About 100 alumni and their families participated. The event was organized by Mr. Gopal Sutwala (BT/CHE/73) and Mr. Ashok K Bajaj (BT/CHE/73) and sponsored by Mr. Mukul Ranjan (BT/CHE/84) along with other generous alumni. Another get together was organized on 29 January 2006 at the residence of Mr. Gopal Sutwala. 46 alumni attended this function.

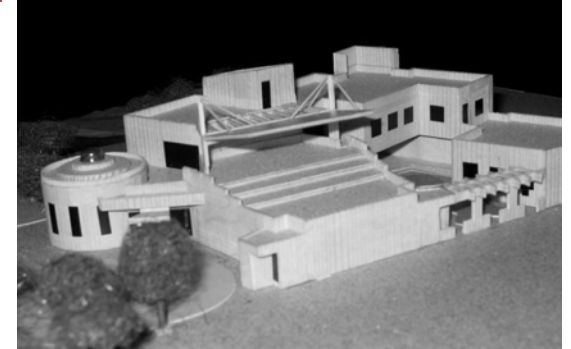

A get together of Ahmedabad Chapter of Alumni Association was organized by Mr. Vishnu Varshney (BT/EE/69) at Le Meridien Hotel in Ahmedabad on 24 September 2005. About 30 alumni attended the meet.

Alumni and Student Career Centre Building

During the year, construction began for the *Alumni and Student Career Centre Building* near the Students Activities Centre. Generous batch donations by the 1969 and 1980 graduates and a substantial donation from Chevron Texaco Global Refining, thanks to Jeet Bindra (B.Tech/CHE/1969), could make this project possible. To be formally inaugurated on 26 December 2006, the Centre with a total floor area of about 1,700 square meters will house alumni activities, placement office, an auditorium, and a hall of fame.

Take a walkthrough of the building at: www.iitk.ac.in/drpg/alumniculture/

The construction of Alumni and Student Career Centre bears testimony to the enduring relationship the alumni have with IITK and the deep bonds of respect, love and affection that connect them with their alma mater.

Faculty Chairs

PROFESSOR S. SAMPATH CHAIR

Family members, friends and admirers of Professor S. Sampath, former Director, IIT Kanpur have taken the initiative to establish **PROFESSOR S. SAMPATH CHAIR** at IIT Kanpur. The fund raising effort is being led by Professor S. Ranganathan (of IISc Bangalore), younger brother of Professor Sampath. The Chair was launched on 15 April 2005, the 80th birth anniversary of Professor Sampath.

JOY GILL CHAIR

Mr. Ajit Gill (BT/EE/1969) has set up Joy Gill Chair for faculty members, under the age of 45, of Biological Sciences and Bioengineering Department. In Mr. Gill's words *"Setting up this endowment was very important to me as a way of thanking my parents and my family. Doing it at IITK, the institution that gave me my educational foundation was critical as a way of helping IITK continue to maintain its tradition of excellence while giving other students the opportunity to get a great education"*.

PRADEEP SINDHU CHAIR

A donation by Dr. Pradeep Sindhu (B.Tech/EE/1974) has been utilized to establish a Chair Professorship. Dr. Sindhu is the Founder, Vice Chairman, and Chief Technology Officer of Juniper Networks, and is a winner of the Distinguished Alumnus Award (2001) from IIT Kanpur. Dr. Sindhu obtained his MS from University of Hawaii and PhD in Computer Science from Carnegie-Mellon University.

LALIT KAPOOR CHAIR

Mr. Lalit Mohan Kapoor (B.Tech/CHE/1971) has established a chair open to any outstanding faculty member regardless of Department. Mr. Kapoor is the Founder, President and CEO of Group BiGates Inc., USA. Established in the year 2000, BiGates is an IT outsourcing company that provides business solutions to enterprises across the USA, primarily focusing on ERP Solutions. Mr. Kapoor is an engineer with an MBA degree.

Several more chairs have been raised since April 2006 and these will be included in the next Annual Report. Details are available in different issues of Grape Vine:
<http://www.iitk.ac.in/drpg/newsmag.htm>

During the year, formal norms for Chair Professorships at IIT Kanpur were developed, including the selection procedure. The purpose of Chairs is to recognize and reward outstanding faculty members. The incumbent receives a monthly honorarium in addition to the usual salary. Besides the financial benefit, the title lends prestige to the incumbent.

Thus, creation of sufficient number of Chairs will make the Institute more attractive to the potential faculty members.

The Chairs also honour the donors (or their loved ones after whom the chair can be named) by associating them with the significant scientific contributions of the distinguished faculty member.

Four Faculty chairs were set up at IITK during the year 2005-06.

Departments

RESEARCH-I FOUNDATION IN THE DEPARTMENT OF COMPUTER SCIENCE AND TECHNOLOGY

The Research-I Foundation has been created at IIT Kanpur through substantial donation from Mr N R Narayana Murthy (MT/EE/1969) for supporting and nourishing excellence in the Department of Computer Science and Engineering. The Foundation supports a number of activities, including chairs for young faculty, travel support to faculty, students and visitors, organization of major conferences and events, enhanced fellowships to PhD students, etc. For further details log on to <http://www.cse.iitk.ac.in/RIF/>

Research-I Foundation in the Department of Computer Science and Technology

PRABHU GOEL RESEARCH CENTRE FOR COMPUTER & INTERNET SECURITY

The Centre was established through a substantial donation from Dr. Prabhu Goel (BT/EE/1970) with the vision to create a nodal R&D centre in the country for all aspects of computer security and to educate various governmental and non-governmental organizations on security issues. The Centre undertakes research, training, and consulting activities in the area of computer and Internet security. The Centre also collaborates with defence and security agencies in developing various security technologies (<http://www.security.iitk.ac.in>).

Prabhu Goel Research Centre for Computer and Internet Security

JOY AND MANMOHAN GILL ENDOWMENT FUND

Set up by Mr. Ajit Gill (BT/EE/1969), and named after his parents, the objective of this Endowment is to support a number of activities in the Biological Sciences and Bioengineering Department at IIT Kanpur. The endowment supports the Joy Gill Chair, four UG scholarships, summer interships and summer research opportunities for the students, and a Business Plan Competition. Mr. Gill holds a B.Tech. degree in Electrical Engineering from IITK, an M.S. from the University of Nebraska, and an M.B.A. from the University of Western Ontario, Canada.

Joy and Manmohan Gill Endowment Fund

NATIONAL INFORMATION CENTRE OF EARTHQUAKE ENGINEERING

NICEE maintains and disseminates information resources and undertakes community outreach activities aimed at mitigation of earthquake disasters. It receives no budget from any sources and operates entirely on the interest income of its endowment, sponsorships, publication sales, and the donations. The Centre was created by an initial corpus of Rs 50 lakhs contributed by HUDCO, Telecom Commission, Railway Board, and the Ministry of Agriculture during 1999 to 2001. Users have expressed strong endorsement of its activities, with 179 donors contributing Rs 9.38 lakhs (average of Rs 5,200/-; median of Rs 1,000/-) between March 2005 and March 2006. See www.nicee.org.

National Information Centre of Earthquake Engineering

SURGE—Summer Undergraduate Research Grant for Excellence

Undergraduate Research—the Vision

Undergraduate research is a pedagogical tool that helps channelise the energy and enthusiasm of students into conceptual-based education, thereby igniting their minds to explore with curiosity the world around them. It can help students (a) bridge the gap between class-room education and real world challenges, and learning the relevance of the curriculum that they undergo at the Institute, and (b) internalize and take ownership of the process of learning and education.

The SURGE undergraduate researchers

About SURGE

The Summer Undergraduate Research Grant for Excellence (SURGE), started during the year to develop a culture of UG research at IITK, supports UG students to carry out 10 weeks of research on an independent project under the supervision of a faculty mentor. The programme was extended to the students of National Institutes of Technology (NITs) as well. Ten students from IITK and 11 from the NITs participated in the inaugural programme during summer of 2006. The California Institute of Technology (Caltech), having a long tradition of UG research, provided the advice and support to IITK for developing the programme. Ms. Carolyn Ash, Director Student-Faculty Programmes visited IITK in January 2006 for the purpose and delivered a seminar on UG research and held discussions. An MOU was signed with Caltech which enabled three IITK students to conduct UG research at Caltech and three Caltech students to work at IITK during the summer of 2006. Dr Siddharth Dasgupta (M.Sc.5/CHM/1980) of Caltech coordinated from Caltech and raised some funds for the exchange programme through the Southern California Chapter of the Alumni Association.

New Scholarships

Donor	Scholarship	Highlights
1. MR. AJIT GILL <i>B.Tech/EE/1969</i>	Baljit and Nirmal Dhindsa Scholarships (2 scholarships)	Merit based scholarships of Rs. 2000 per month for 10 months. For 1st & 2nd yr B.Tech student of BSBE. Preference to girl students.
2. MR. AJIT GILL <i>B.Tech/EE/1969</i>	Mona and Paramjit Singh Scholarships (2 scholarships)	Merit based scholarships of Rs. 2000 per month for ten months. For 3rd & 4th yr B.Tech students of BSBE. Preference for girl students.
3. PROF. C.N.R. RAO <i>Former Faculty</i>	Prof. C.N.R Rao Science Talent Scholarship	Merit-cum-Means scholarship of Rs. 2000 per month. For MSc (Integrated) student, preferably from Chemistry Department
4. PROF. S.K. DOGRA <i>Former Faculty</i>	Smt. Durga Devi Memorial Scholarship	Merit Scholarship of Rs. 1000 per month. For MSc (2-year) girl student of Chemistry Department
5. MS. NITA GOYAL and MR. ASHISH GUPTA <i>B.Tech/CSE/1987 & B.Tech/CSE/1988</i>	Nita Goyal and Ashish Gupta Scholarships (4 scholarships)	Merit-cum-Means Scholarships of Rs. 2000 per month for 10 months. For B.Tech/M.Sc. students, preferably girls.
6. MR. AMITABH SRIVASTAVA <i>B.Tech/EE/1979</i>	Dr. Hari Mohan & Pushpa Srivastava Scholarship	Merit-cum-Means scholarship of Rs. 2000 per month. For B.Tech 3rd yr student of CSE/EE Department
7. MR. RAJIV SINGH <i>B.Tech/ME/1988</i>	Smt. Jagat Kaur Memorial Scholarship	Merit-cum-Means scholarship of Rs. 2000 per month. For B.Tech student of any Department
8. DR. MANIRAM GUPTA <i>B.Tech/MME/1971</i>	Shri Jamuna Prasad & Smt. Basanti Gupta Scholarship	Merit-cum-Means scholarship of Rs. 2000 per month. For B.Tech student of MME Deptt.
9. MR. MANOJ K. SINGH <i>B.Tech/ME/1984</i>	Sri Kalp Nath Singh Scholarship	Merit based scholarship of Rs. 2000 per month. For 3rd yr B.Tech student of ME Deptt.

The largest ever number of UG scholarship were set up during the year, thanks to the generous donations from alumni and former faculty members. Currently, the UG tuition fees are about Rs 27,000 per year. In addition, students need at least Rs 25,000 per year to cover mess and other expenses. A UG scholarship of Rs 2,000/- per month (for ten months in a year) requires an endowment of Rs 4.0 lakhs (about US\$ 10,000).

Details are available at
<http://www.iitk.ac.in/drpg/awardscholar.htm>

10.	DR. TUSHAR DEEPAK CHANDRA <i>B.Tech/CSE/1988</i>	Romesh Chandra Memorial Scholarship	Merit based scholarship of Rs. 2000 per month for 10 months. For 4th year B.Tech student of CSE Deptt.
11.	MR. AKHILESH MAEWAL <i>B.Tech/ME/1970</i>	Shanti Devi and Onkar Nath Maewal Memorial Scholarship	Merit based scholarship of Rs. 2000 per month. For 3rd yr girl student of CSE Deptt.
12.	DR. MURALI DAMODARAN <i>B.Tech/AE/1981</i>	Sri Temasek@ IITK Scholarship	Merit-cum-Means scholarship of Rs. 2000 per month. For B.Tech student of any Deptt.
13.	MR. RAJMOHAN RAJARAMAN <i>B.Tech/CSE/1991</i>	N. S. Rajaraman Scholarship	Merit-cum-Means scholarship of Rs. 1000 per month. For B.Tech student of any Deptt.

During 2005-06, IITK started a new initiative to provide partial travel support to students for presentation of their research papers in conferences abroad. The initial impetus for this was provided by generous donations of Mr. Sudhir Mittal (B.Tech/CHE/1970), Mr. Pawan Kumar (B.Tech/CE/1969), Mr. Saurabh Jindal (B.Tech/CSE/2001) and Mr. Sharad Tripathi (B.Tech/AE/1969). Students are provided travel assistance ranging from Rs 20,000 to Rs 40,000 subject to their faculty supervisor and Head of the Department also extending them financial support. During the year, support was offered to 49 students; of these, 43 students actually availed support from RPG office, one student found sufficient funds from elsewhere, and five students could not attend the conference for visa and other reasons. The total spending on this was Rs 16.63 lakhs; of this, Rs 9.65 lakhs was from designated donations, Rs 3.49 lakhs from Annual Gift Programme and Rs3.49 lakhs from interest income of the endowment fund of IIT Kanpur.

Sachchidanand Memorial Fund

Family, friends and admirers of Late Prof. Sachchidanand have set up the Fund to support needy students at IITK. The objective of this fund is to support students who come from weak economic backgrounds and are therefore unable to go out and explore further options and newer horizons during their studies. Availability of funds encourages these students to overcome their financial challenges and follow their dreams beyond traditional learning and widen

their horizons, thus bringing a positive impact on their education. The quantum of 'Financial Assistance' to the needy students and 'purposes' for which this may be used are to be decided by the Head, Counseling Services, in a flexible manner.

Professor Sachchidanand held a special place in the hearts of the Pioneer Batch (1965 graduates) owing to his active leadership in completing the first Batch Project--construction of Pioneer Batch Continuing Education Centre in the campus in 2000. The Pioneers (1965 graduates) have contributed about \$10,000 for this fund. As on 1 April 2006 the fund stands at about Rs 11.5 lakhs. Support will be extended to students with effect from financial year 2006-07.

Other Donations

LATE GOPAL DAS BHANDARI DISTINGUISHED TEACHER AWARD

Mr. Anil Bhandari (BT/ME/1969) has made the donation for instituting one Distinguished Teachers Award in memory of his father.

BATRA 1967 GOLD MEDAL

In memory of Late Professor N.K. Batra (B.Tech/MME/1967, M.Tech/MME/1969) a gold medal for the best final year under graduate student of Materials and Metallurgical Engineering has been set up by the class of 1967 in the memory of their class mate.

BHAGWANI DEVI MAHESHWARI GOLD MEDAL

Prof. S. N. Maheshwari, Professor of IIT Delhi (and former faculty of IITK) has instituted an award to be given to a B.Tech/M.Sc.(Intg.) female student with academic excellence, social awareness, leadership qualities, and extra curricular involvement.

INTRUSION PREVENTION SYSTEM (IPS)

Two Intrusion Prevention System (IPS) devices from iPolicy have been received, thanks to Mr. Rajeev Goel (B.Tech/CHE/76, M.Tech/CHE /78), for the institute's computer network. The IPS detects and prevents unauthorized access on the network.

CANTEEN IN THE PREMISES OF KENDRIYA VIDYALAYA

Contribution has been received from Mr. Ajay Gupta to partially support the construction of a canteen in the premises of Kendriya Vidyalaya, IIT Kanpur. He is the Founder & President/CEO of Everburn, Lexington, USA and a former student of the Kendriya Vidyalaya in the campus.

Annual Gift Programme 2005-2006

During the year IITK started an ANNUAL GIFT PROGRAMME wherein alumni and friends of IITK contribute any amount, small or large, annually. Unlike huge donations from a few individuals which vary from year to year, small but steady contributions from a large number of donors ensures renewable support. The programme was formally launched in October 2005. Upto 31 March 2006, 120 donors contributed a total of Rs 12.74 lakhs with a median donation of Rs 4,500/- and average donation of Rs 10,500/-. The donations under this programme have ranged from Rs 450/- to Rs 1,35,000/- (\$10 to \$3,000). The Programme enables IITK to support several initiatives towards excellence.

The amount collected through this programme in 2006-07 was utilized as follows:

- Rs 3.49 lakhs as Travel Support to students attending conferences.
- Rs 2.47 lakhs towards Patent Filing expenses in the institute.
- Rs 6.78 lakhs was earmarked for SURGE Programme to be conducted in Summer of 2006.

More such programmes are being launched in 2006-07 in anticipation of even stronger participation of alumni in the programme.

In order to build an enduring relationship that does not stop at a single donation, long term commitment of support from alumni and friends was sought through the Annual Gift Programme launched this year. The response was most encouraging.

Build a lasting relationship...
Commit to an annual donation, small or large

List of Donors (April 2005 – March 2006)

Rs 20,00,000/- to 99,99,999/-		
Ajit Singh Gill	BT/EE/1969	Los Altos Hills, CA, USA
Lalit Mohan Kapoor	BT/CHE/1971	Lafayette, CA, USA
Rs 4,00,000/- to 19,99,999/-		
Anil Bhandari	BT/ME/1969	Pleasantville, NY, USA
