

INDIAN INSTITUTE OF TECHNOLOGY KANPUR

Annual Report
2006-2007

Alumni Relations & Resource Generation

Preface

This Annual Report is our second one. It is to track our activities, initiatives and successes during April 2006 to March 2007. This year has been particularly encouraging and fruitful for IITK.

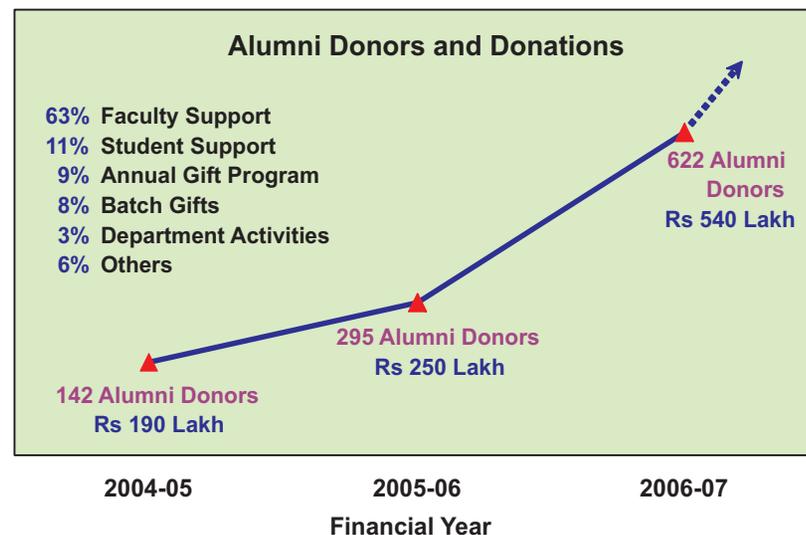

The number of alumni donors to IITK doubled from 295 in 2005-06 to 622 alumni in 2006-07. There has been a four-fold increase in this number in two years from 142 alumni donors in 2004-05. Yet, 622 alumni donors are only about 3% of our total alumni. This is miniscule when compared to some of the top engineering schools in the United States where 30% to 50% alumni may donate every year to their alma mater. The important thing here is the engagement of alumni with their alma mater regardless of the amount of donation. To increase the involvement of alumni with the Institute, an Alumni Contact Programme was started during the year wherein second and third year undergraduate students call the alumni, brief them about the developments at the Institute and seek their participation through donations and otherwise.

The total amount of donation rose from 2.5 crore in 2005-06 to Rs. 5.4 crore in 2006-07. Most donations are meant and used for a specific purpose as per the donor's wish. The endowment continues to yield good rate of return, and all donation endowments were credited interest at the rate of 8.75% for the year 2006-07 as against 9.25% for the year 2005-06.

Eleven new chairs, seventeen new scholarships and several awards have been instituted during the financial year. Partial travel support from the donations enabled 71 students to participate in conferences overseas as compared to 43 last year. During the year, a cash award for publishing journal papers was introduced for the students through the donations: 204 students received a total of Rs. 26.11 lakh under the Programme. Five new faculty members of the Institute availed partial travel support from the donations for participation in conferences overseas.

The alumni data base increased from about 55% alumni in April 2006 to about 63% in April 2007. However, a lot more remains to be done in order to connect with all our alumni.

There is enormous potential to improve the quality of education and research at IITK with support and active engagement of our alumni. The Institute is embarking on an ambitious plan towards this and invites each and every alumni and well wisher of IITK to come and join hands with us in this endeavour.

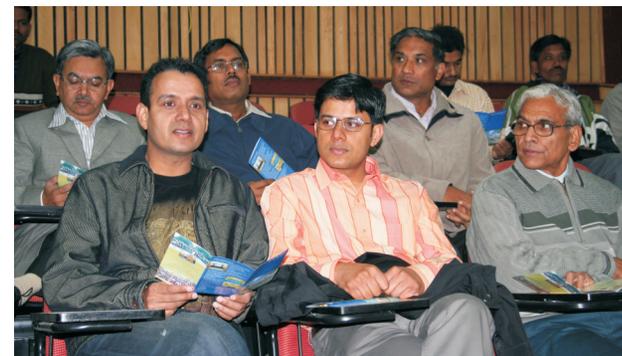

Connecting with Alumni

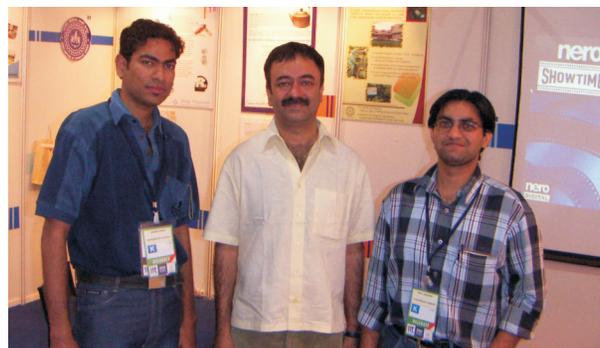

Nostalgia: On April 29, 2006 the Alumni Association along with the Students' Gymkhana, organized "Nostalgia" to bid farewell to the class of 2006. The event was presided over by Mr. Anirudh Harlalka, President, Students' Gymkhana followed by an address from Prof. Vinayak Eswaran, Secretary, Alumni Association. This was followed by the address by Prof. Prawal Sinha, Dean of Students' Affairs before Prof. Sanjay G. Dhande, Director, bade a formal adieu to the class.

Samvad: The inaugural IIT Kanpur Alumni-Faculty Summit "Samvad" was held on December 26, 2006 at the newly constructed building *Outreach '69 & '80*. The Summit was a forum to bring together alumni and faculty for harnessing mutual synergy towards development of the institute. About 30 alumni and 50 faculty members participated in the same.

PAN IIT Alumni, 2006 Global Conference was held from December 23-25 in Mumbai with tremendous success. It had alumni from all IITs attend from around the globe. The IITK booth was rather popular. Amongst the many distinguished guests to our booth, was Mr. Rajkumar Hirani, famous movies director (e.g., Lage Raho Munna Bhai). Mr. Hirani patiently reviewed the film "The Way We Were..." created by the students and faculty of IITK and had the following to write in our visitors' book "Absolute joy in seeing the video made by the students & teachers at IIT Kanpur. You all are better than many film-makers. God bless you all. Would love to be in IIT someday to see you all."

Samvad

Mr. Rajkumar Hirani (centre) with students at IITK booth in PanIIT 2006

Shanker, Deputy Director, IIT Kanpur made a presentation on the theme *A vision for IITs - Collaborations with Industry*. He also visited and held high level discussions with National University of Singapore (NUS) and Nanyang Technological University (NTU) on possible collaborations with IITK.

Kanpur Chapter of Alumni Association Get-together: The Kanpur Chapter held a get-together at the residence of Mr. Ashish Gupta (BT/EE/1986) on December 10, 2006. The event was attended by about 50 alumni and their families.

IIT Alumni - EU Conference at Hannover: IIT Alumni - EU under the leadership of Mr. Sharad Tripathi (BT/AE/1969) organized a conference on "Technical Education in India" on April 28, 2006 at the Hannover Industrial Fair. The aim was to increase interaction between the IITs and European industries as well as educational institutions. Prof. S. G. Dhande, Director and Prof. Sudhir K. Jain, Dean Resource Planning and Generation represented IIT Kanpur. The event initiated discussions regarding collaborations between IITK and European academia. This was followed by a visit of Prof. Jain to Ecole Centrale Paris and the initiation of a student exchange programme between IITK and Ecole Centrale for undergraduate summer research.

Singapore Pan IIT: A PAN IIT Conference "IIT Everywhere-Making a Difference" was organized by the IIT Alumni Association Singapore on August 26, 2006. The event was attended by about 250 delegates. Prof. Kripa

Kanpur Chapter of Alumni Association Get-together

Meeting IITK Alumni

Professor Sudhir K. Jain, Dean RPG, visited alumni in several cities in the USA and in London in April-May 2006. During his visit, Dr. Jain updated the alumni on the current activities and conveyed to them the vision of the Institute.

New Jersey: Mr. Ram B. Misra (BT/ME/1968), Mr. Satish Bhalerao (BT/CHE/1970) and Mr. Rakesh Sharma (MT/NET/1978) organized a luncheon for about twenty five alumni and their families. The other speaker on the occasion was Mr. Saroj K. Jha (BT/CE/1986).

Boston: Mr. Rakesh Pandey (BT/ME/1978), Mr. Saikat Guha (BT/EE/2002) and Mr. Manu Prakash (BT/CSE/2002) organized a dinner for about twenty alumni.

Chicago: Mr. Ajay Gupta (BT/CSE/1984) organized a dinner which despite it being a working day, eleven alumni attended.

San Jose: Mr. Ananth Shankar (BT/EE/1986), Mr. Deepak Bhagat (BT/EE/1973) and Mr. Abhay Bhushan (BT/EE/1965) coordinated dinner for about sixty five alumni and their families.

Los Angeles: Mr. Siddharth Dasgupta (MSc5/CHM/1980) and Mr. Ananta Mukherjee (BT/EE/1980) organized a luncheon for twenty alumni with their family members. The other speaker on the occasion was Professor Vijay Dhir (MT/ME/1968), Dean of Henry Samueli School of Engineering and Applied Sciences at University of California at Los Angeles.

London: Mr. P. K. Agarwal (BT/CHE/1971) organized dinner for about twenty IITians from different IITs. Mr. Harsh Jain, IFS, First Secretary in the Indian High Commission and an IIT Delhi alumnus hosted the group for drinks and snacks.

In its entirety the Dean's visit was very well received by the alumni as seen by their enthusiasm and by the donations that were committed by them.

Alumni get-together in Boston

Reunions

30th Year Reunion of Class-of-77, December 24-25, 2006 was attended by 35 alumni.

35th Year Reunion of Class-of-72, December 27-28, 2006 was attended by 80 alumni.

Silver Jubilee Reunion Class-of-1982, December 30-31, 2006 was attended by 91 alumni.

Annual Report

Resource Planning and Generation office published its first Annual Report on Alumni Relations & Resource Generation in 2006. It contains data related to donations received, scholarships and awards instituted, chairs established and other activities related to alumni. This is the second issue of Annual Report.

Centre of Environmental Sciences & Engineering

The foundation stone for Centre of Environmental Sciences and Engineering Building was laid on April 23, 2006. Hon'ble Member of Rajya Sabha, Shri Arun Shourie committed a sum of Rs. 11 crore from his entitlement of the MP-LAD Funds. The proposed building in addition to meeting functional needs will also be energy efficient through the incorporation of several "green" features in its design.

This is the second project at IIT Kanpur being supported by Shri Arun Shourie through his MP-LAD Funds, the first one being the Biological Sciences and Bioengineering Department building and laboratories.

Outreach '69 & '80

The new building *Outreach '69 & '80* was inaugurated on the 26th of December 2006 by Professor M. Anandkrishnan, Chairman, Board of Governors. Generous batch donations by the 1969 and 1980 graduates and a substantial donation from Chevron Corporation, thanks to Jagjeet Singh Bindra (BT/CHE/1969), could make this project possible. The Centre houses alumni activities, placement office, an auditorium, and a hall of fame.

Departments

Research-I Foundation

The Research-I Foundation has been created at IIT Kanpur through substantial donation from Mr. N. R. Narayana Murthy (MT/EE/1969) for supporting and nourishing excellence in the Department of Computer Science and Engineering. The Foundation supports a number of activities, including chairs for young faculty, travel support to faculty, students and visitors, organization of major conferences and events, enhanced fellowships to PhD students, etc. During 2006-07, several initiatives towards excellence across the institute were also supported by the Foundation (<http://www.cse.iitk.ac.in/RIF/>).

Prabhu Goel Research Centre for Computer & Internet Security

The Centre was established through a substantial donation from Dr. Prabhu Goel (BT/EE/1970) with the vision to create a nodal R&D centre in the country for all aspects of computer security and to educate various governmental and non-governmental organizations on security issues. The Centre undertakes research, training and consulting activities in the area of computer and internet security. The Centre also collaborates with defence and security agencies in developing various security technologies (<http://www.security.iitk.ac.in>).

Joy and Manmohan Gill Endowment Fund

Set up by Mr. Ajit Gill (BT/EE/1969), and named after his parents, the objective of this endowment is to support a number of activities in the Biological Sciences and Bioengineering Department at IIT Kanpur. The endowment supports the Joy Gill Chair, four UG scholarships, summer internships and summer research opportunities for the students, and a Business Plan Competition. Mr. Gill holds a bachelor's degree in Electrical Engineering from IITK, an M.S. from the University of Nebraska, and an M.B.A. from the University of Western Ontario, Canada.

National Information Centre of Earthquake Engineering

NICEE at IIT Kanpur maintains and disseminates information resources and undertakes community outreach activities aimed at mitigation of earthquake disasters. It receives no budget from any sources and operates entirely on the interest income of its endowment, sponsorships, publication sales, and the donations. Users have been expressing strong endorsement of its activities, with 115 donors contributing Rs. 11.5 lakhs between April 2006 and March 2007. Activities of NICEE continue to grow at about 40% annual compound rate (www.nicee.org).

Faculty Chairs

Eleven Faculty Chairs were set up at IITK during the year 2006-07 thanks to the generosity of our illustrious alumni. Faculty Chairs recognize and reward outstanding faculty members. The incumbent receives a monthly honorarium in addition to the usual salary. The title lends prestige to the incumbent. The Chairs also honour the donors (or their loved ones after whom the Chairs can be named) by associating them with the significant scientific contributions of the distinguished faculty members. Creation of sufficient number of Chairs is a high priority in order to make the Institute more attractive to potential faculty members.

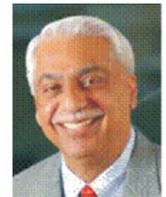

Arun Kumar Chair

Friends and admirers of Late Sri Arun Kumar (BT/EE/1969) have established a faculty chair in his memory. The chair is open to all departments. Kumar obtained his masters in Computer Science from the University of Missouri, U.S.A. He was the President and Managing Director of Flextronics Software Systems and the Chairman of the Executive Council of NASSCOM (National Association of Software & Service Companies) in 2002-03. The chair was established under the leadership of Mr. Saurabh Srivastava (BT/ME/1968).

Chevron Corporation Chair

Chevron Texaco, USA has created this chair for the Department of Chemical Engineering, thanks to Mr. Jagjeet Singh Bindra (BT/CHE/1969). Mr. Bindra obtained his master's degree in Chemical Engineering from University of Washington at Seattle and his MBA with honours from St. Mary's College, Moraga, California. Mr. Bindra is the President of Global Refining Chevron.

Deva Raj Chair

Mr. Deepak Devraj (BT/EE/1970) has set up a faculty chair at IITK named after his father. Mr. Devraj is presently running Rush Brook Partners, a private investment firm, after retiring from Merrill Lynch in 2003 as a Senior Vice President and member of the firm's Executive Management Committee following a career spanning 24 years. The chair is open to all departments.

Dr. Gurmukh D. and Veena M. Mehta Chair

Dr. Gurmukh D. Mehta (MT/ME/1969) has been Senior Scientist and Vice President at Science Applications International Corporation (SAIC) for over 25 years. SAIC is the largest employee-owned research and engineering company in the United States, providing information technology, systems integration and eSolutions to commercial and government customers. The chair is open to faculty in Mechanical Engineering.

Gireesh Jankinath Chair

Mr. Ravindra Nath Akhoury (BT/EE/1968) has set up a faculty chair in memory of his late mother, open to faculty in all departments. Mr. Akhoury is Chairman and Chief Executive Officer of MacKay Shields, a multi-product investment management firm with approximately \$ 40 billion of assets under management. He is a member of the Executive Management Committee of New York Life Insurance Company, and is on the Board of India Today along with other US and Indian Corporations. Ravi is also a Director of Thompson Press. After finishing his studies at IITK, he obtained his master's in Quantitative Methods from SUNY at Stony Brook.

Faculty Chairs

Pandit Ramchandra Dwivedi Chair

Mr. Kamalesh Dwivedi (BT/EE/1979) is currently an Executive Vice President and CIO at TeleTech Holdings, a leading global BPO provider, headquartered in Englewood, Colorado. Mr. Dwivedi has more than 25 years of combined experience in engineering, high technology manufacturing and Information Technology. His father, Pandit Ramchandra Dwivedi, was a Sanskrit teacher and a Purohit. During the Quit India Movement of 1942 he was kept in captivity by the British. He got out of jail by teaching Sanskrit to the daughter of the British jailor. The chair is to commemorate the freedom fighting spirit of the late Pandit Ramchandra Dwivedi and his lifetime contribution to Sanskrit education. The chair is open to faculty of any department who has done research and/or development in an area related to India's defense.

Raj and Neera Singh Chair

Dr. Rajendra Singh (BT/EE/1975) and his wife Ms. Neera Singh (BT/CHE/1981) have established a faculty chair in Chemical Engineering Department. Dr. Singh is the Chairman, Board of Directors, at both LCC International and Telecom Ventures LLC, USA. He is also a partner in several multinational ventures. His telecommunication company operates in 40 countries in the world. Currently both Mrs. & Dr. Singh are working on satellite radio spectrum.

Sajani Kumar Roy Memorial Chair

Mr. Ranodeb Roy (BT/CSE/1990) has set up this chair, open to faculty members of any department at IIT Kanpur. After his graduation from IIT Kanpur, Roy did an MBA from IIM Ahmedabad in 1992. He later worked for Bank of America, Mumbai (1992-1996), Peregrine and Barclays (1996-1999) and Merrill Lynch in Hong Kong, Tokyo and New York (1999 - till date).

Satish Chandra Agarwal Chair

Kamal (BT/CE/72) and Katherine Agarwal have established a faculty chair at IIT Kanpur to honour Kamal Agarwal's father. The chair is open to all departments of the Institute. Agarwal received his MBA (Finance) from the University of Maryland in 1975. He joined a Washington based company of Ship Brokers dealing primarily with United States Government Food Aid Programs and became a partner in the firm in 1983. In 1991 he founded a new ship brokerage company, Phoenix Chartering Inc. in Washington. He sold the company and retired in January 2005. He lives in McLean, Virginia.

USV Chair

Mr. Prashant Tewari (BT/ME/1979) and his wife Ms. Leena Gandhi Tewari have set up a USV Chair at IIT Kanpur. Leena is the Chairperson and Prashant the Managing Director of USV Limited, Mumbai, a leading pharmaceutical with leadership in diabetes and cardiovascular fields in India. Its R&D focus is on development of Generics, Active Pharmaceutical Ingredients (APIs), Bio-similars and Innovation projects in the area of vaccines resulting in 57 international patent filings. The chair is open to Science Departments: Physics, Chemistry, Mathematics, and Biological Sciences & Bioengineering.

Umang Gupta Chair

Mr. Umang Gupta (BT/CHE/1971) has set up a faculty chair at IITK open to all faculty. He is currently Chairman and Chief Executive Officer of Keynote Systems (NASDAQ: KEYN), the worldwide leader in Internet and mobile test and measurement services, since 1997. A well-known technology visionary and Silicon Valley entrepreneur, Umang began his career in 1973 with IBM. In 1984 he became the Founder, Chairman and Chief Executive Officer of Gupta Technologies, which he took public in 1993 (NASDAQ:GPTA) thereby becoming the first Indian to take a software company public anywhere in the world. Mr. Gupta is also a founder member and Chairman of IIT Kanpur Foundation in USA.

SURGE – Summer Undergraduate Research Grant for Excellence

VISION

Undergraduate research is a pedagogical tool that helps channelise the energy and enthusiasm of students into conceptual-based education, thereby igniting their minds to explore the world around them with curiosity. It can help students (a) bridge the gap between class-room education and real world challenges, and learning the relevance of the curriculum that they undergo at the Institute, and (b) internalize and take ownership of the process of learning and education.

The SURGE undergraduate researchers
Summer 2007

About SURGE

The Summer Undergraduate Research Grant for Excellence (SURGE), which started last year to develop a culture of UG research at IITK, supports UG students to carry out 10 weeks of research on an independent project under the supervision of a faculty mentor. The program of summer 2006 was highly successful and well-acclaimed. This year, the program has spread even further. The number of students from IIT Kanpur and NITs has more than doubled. In summer of 2007, 20 students from IIT Kanpur and 33 from the NIT's will participate in the programme.

The student exchange program with California Institute of Technology (Caltech) was started last year. It was a very fruitful exchange as Caltech, with its long tradition of UG research, provided advice and support to IITK for developing the programme. The arrangement with Caltech in 2006 continues and enables IITK students to conduct UG summer research at Caltech and Caltech students to work at IITK.

Another MOU was signed with Ecole Centrale, Paris this year. The MOU enables several IITK students to conduct UG research at Ecole Centrale and Ecole Centrale students to work at IITK during summers.

The programme was supported through alumni gifts including those of Mr. Neeraj Sangal (BT/EE/1978), the Annual Gift Programme, Research-I Foundation, and the funds raised by Dr. Siddharth Dasgupta (MSc5/CHM/1980) through the Southern California Chapter of Alumni Association.

Details of the programme, including the abstracts of research by UG students during summer 2006, are available at <http://www.iitk.ac.in/surge/>

New Scholarships

Donor	Scholarship	Highlights
1. Mr. Asis Ray (BT/MME/1981)	Sagnik Asis Ray Scholarship	Rs. 2,000 per month for a fourth year undergraduate students of Biological Sciences & Bioengineering. The merit-cum-means scholarship aims to promote research for the cure of cancer.
2. Mr. Avinash Agarwal (BT/EE/1977)	Smt. Dharmavati Garg Scholarship	Rs. 2,000 per month to be given to B. Tech. student on the basis of merit.
3. Prof. Deepak Kapur (MT/CSE/1973) and family	Bimlavati and Nawal Kishore Kapur Scholarship	The merit-cum-means scholarship of Rs. 1,000 per month for a third year B. Tech. woman student of Computer Science and Engineering or Biological Sciences and Bioengineering.
4. Mr. Hersh Saluja, well wisher of IITK. Thanks to Mr. Udai P. Singh (BT/CE/1972)	K. N. Saluja Endowment Fund (8 scholarships)	Eight merit UG scholarships in Civil Engineering at the rate of Rs. 2,000 per month for ten months per year.
5. Dr. Manoj Singh (BT/ME/1984)	Sri Singhasan Singh Scholarship	Scholarship of Rs. 2000 per month for a third year undergraduate student of Electrical Engineering on the basis of merit.
6. An alumna of the Class of 1976 residing in New York	BGM Kumar Foundation Scholarship	Need-based undergraduate scholarship will consist of a monthly stipend of Rs. 2,000.
7. Mr. Mohiuddin Golam (M.Sc.2/Stat/1992)	Jasmine & Mohiuddin's Scholarship	Rs. 1,000 per month for a 2-year M.Sc. student of Mathematics and Statistics on the basis of merit.

The largest ever number of UG scholarships were set up during the last two years, 18 in 2005-06 and 17 in 2006-07, thanks to the generous donations from alumni, friends and former faculty members. Currently, the UG tuition fees are about Rs. 27,000 per year. In addition, students need at least Rs. 25,000 per year to cover mess and other expenses. A UG scholarship of Rs. 2,000 per month (for ten months in a year) requires an endowment of Rs. 4 lakhs (about US\$ 10,000).

8. Mr. Ranodeb Roy (BT/CSE/1990)	Protima Ghosh Memorial Scholarship	Merit-cum-means scholarship of Rs. 2,000 per month to any student of IITK.
9. Dr. Satish Gupta (BT/EE/1977)	Shri Bishamber Gupta and Smt. Anguri Gupta Scholarship	Merit scholarship of Rs. 2,000 per month for a third year B. Tech. student of Electrical Engineering.
10. Mr. Vinit Joshi (BT/EE/1977)	Bhuvan and Indira Joshi Scholarship	Merit-cum-means scholarship of Rs. 2,000 per month will be awarded to students of any branch.

Travel Support

Sl. No.	Student	Conference	Amt (Rs)
1	Amit Goel (Y3103063) PhD(CE)	2006 Highway Geophysics-NDE Conference, St. Louis, MO, USA, Dec. 04-07, 2006	38,356
2	Amit Kumar Onkar (Y210161) PhD(AE)	47th AIAA/ASME/ASCE/AHS/ASC Structures, Structural Dynamics & Materials Conference, RI, USA. May 01-04, 2006	40,000
3	Anisia K. S. (Y220261) PhD(CHE)	AICHe Annual Conference San Francisco, CA, USA Nov. 12-17, 2006	6,793
4	Anup Singh (Y3208062) PhD(MTH)	IAMRM 14th Scientific Meeting & Exhibition, Seattle, WA, USA, 06-12 May, 2006	40,000
5	Anupam Agrawal (Y210562) PhD(ME)	AMPT 2006. Las Vegas, NV, USA, July 30-Aug. 3, 2006	40,000
6	Aparna Mehrotra (Y220061) PhD(HSS)	26th International Congress of Applied Psychology, Athens, Greece, 16-21 July, 2006	40,000
7	Ashish Kumar Mishra (Y4100061) PhD(HSS)	Population Association of America (2007) Annual Meeting, NY, 29-31 March, 2007	40,000
8	Ashok Kumar (Y5112061) PhD(MSP)	Asia Display 2007. Shanghai, China, 12-16 March, 2007	30,000
9	Ashwani Kumar Tiwari (Y220763) PhD(CHM)	MOLEC XVI, European Conference on Dynamics of Molecules. Lavico Terme, Italy, 11-15 Sept, 2006	30,000
10	Asmita Shukla (Y120064) PhD(HSS)	AISBSW, US 2007 San Diego, CA (US), 14-17, March 2007	40,000
11	B. Kalyan Kumar (Y3104110) PhD(EE)	International Conference on APSCOM 2006. Hong Kong, 30th Oct - 02 Nov, 2006	20,000

18	Deepak Mishra (Y3104111) PhD(EE)	Joint Workshop on Neurobiology Neuro-Informatics 2006. Kyoto, Japan, 23-24 July, 2006	25,000
19	Deepika Sachdeva (Y3206063) PhD(MME)	CORROSION 2007 Nashville, TN, USA. 11-15 March, 2007	40,000
20	Dhananjay K. Srivastava (Y5205064) PhD(ME)	International Conference on Superhard Coatings. Ein Gedi, Israel, Feb 27-01 March, 2006	27,177
21	Dhish Kumar Saxena (Y3205062) PhD(ME)	IEEE World Congress on Computational Intelligence. Vancouver, Canada, 16-21 July, 2006	40,000
22	Dibakar Bandopadhyaya (Y3105084) PhD(ME)	2006 IEEE International Conference on CIS-RAM. Bangkok, Thailand, 07-09 June, 2006	20,000

IITK now provides partial travel support to students for presentation of their research papers in conferences abroad. Students are provided travel assistance ranging from Rs. 20,000 to Rs. 40,000 subject to their faculty supervisor and Head of the Department also extending them financial support. During 2005-06, 43 students availed support from RPG office while during 2006-07, 71 students availed a support totaling about Rs. 23 lakhs.

Besides the Annual Gift Programme and the Research-I Foundation, the Programme was supported through the donations of Chevron Corp (courtesy Jagjeet Singh Bindra, BT/CHE/1969), Mr. Sudhir Mittal (BT/CHE/1970), Mr. Saurav Jindal (BT/CSE/2001), Mr. S. Boppudi (BT/CHE/1996), Mr. Surendra (Babu) Mandava ((MT/EE/1983) and Dr. Geetha Krishnamurthy (PhD/HSS/1986).

33	Krovi Krishna Prasad (Y220768) PhD(CHM)	29th European Peptide Symposium Gdansk, Poland, 3-8 Sept., 2006	25,251
34	Kumar Vaibhav Srivastava (Y4104106) PhD(EE)	European Microwave Conference 2006 Manchester, UK, 9-15 Sept., 2006	30,000
35	Mamata Mishra (Y020063) PhD(HSS)	SIAM conference on analysis of PDE's Mansfield College, UK, 12-15 July, 2006	40,000

Travel Support

Sl. No.	Student	Conference	Amt (Rs)
36	Manik Mayur (Y3165) BT(ME)	ASME International Student Conference Istanbul, Turkey, 26-28 May, 2006	23,476
37	Manish Jaiswal (Y5118067) PhD(BSBE)	3rd International Workshop on Drosophila Cell Division Cycle. Porto, Portugal, 14-18 June, 2006	29,649
38	Manoj Kumar Sarma (Y220866) PhD(MTH)	IAMRM 14th Scientific Meeting & Exhibition. Seattle, WA, USA, 06-12 May, 2006	40,000
39	Montu Kumar Hazra (Y210766) PhD(CHM)	61st Ohio State University International Conference on Molecular Spectroscopy. OH, USA, 19-23 June, 2006	38,540
40	Muthyala Sudhir (Y4101063) PhD(AE)	45th AIAA Aerospace Sciences Meeting and Exhibition. Reno, NV, USA, Jan.08-11, 2006	40,000
41	Naresh Chandra Sahu (Y120066) PhD(HSS)	International conference on "The Roles of Forests in Rural Development and Environmental Sustainability. Beijing, China, 19-21 April, 2006	21,029
42	Nitin L. Bhagat (Y4206014) MT(MME)	ASMP 2006 Bangkok, Thailand, 09-10 Nov., 2006	21,230
43	P. M. Mohite (Y110161) PhD(AE)	47th AIAA/ASME/ASCE/AHS/ASC Structures, Structural Dynamics & Materials Conference. New Port, RI, USA, May 01-04, 2006	38,386
44	Pankaj Sharma (Y4105045) MT(ME)	IEEE International Conference on CIS & RAM 2006. Bangkok, Thailand, 07-09 June, 2006	12,618
45	Prabodh Bajpai (Y220464) PhD(EE)	IEEE-PES General Meeting 2006 Montreal, Canada, 18-22 June, 2006	40,000
46	Pradip Swarnakar (Y3400061) PhD(HSS)	XVI ISA World Congress of Sociology 2006 Durban, South Africa, 23-29 July, 2006	40,000
47	Pradyogt Ranjan Jena (Y110061) PhD(HSS)	Development Education Conference 2006 Dublin City University, Ireland, 23-24 March, 2006	28,239
48	Pramod Chandra Tewari (Y5103032) MT(CE)	European Geosciences Union, General Assembly 06. Vienna, Austria, 02-07 April, 2006	32,000
49	Prithwijit Guha (Y220465) PhD(EE)	IEEE International Workshop on Visual Surveillance-2006. Graz, Austria, 13 May, 2006	22,850
50	Rachna Srivastava (Y110492) PhD(EE)	IEEE International Conference on Communication System 2006. Singapore, 30th Oct-01 Nov. 2006	20,000
51	Rajeev Kumar (Y220773) PhD(CHM)	International Conference in Porphyrines and Phthalocymnes ICPP-4. Rome, Italy, 2-7 July, 2006	21,856
52	Rajesh Gupta (Y3104115) PhD(EE)	2006 PES General Meeting Montreal, Canada, June 18-22, 2006	40,000
53	Rajneesh Misra (Y210767) PhD(CHM)	ICPP-4 Rome, Italy, 02-07 July, 2006	30,000
54	Ranjan Kumar Behera (Y3104119) PhD(EE)	IEEE IECON'06 Paris, France, Nov. 07-10, 2006	30,000
55	Ravi Kumar Joshi (Y31041203) PhD(EE)	IEEE MTT-S International Microwave Symposium 2006. San Francisco, CA, USA, 11-16 June, 2006	40,000
56	Ritesh Kumar (Y110867) PhD(MTH)	SIAM conference on analysis of PDE's Boston, MA, USA, 10-12 July, 2006	40,000
57	Sagnik Dey (Y220365) PhD(CE)	Western Pacific Geophysics Meeting Beijing, China, 24-27 July, 2006	30,000
58	Sandip Das (Y240362) PhD(CE)	1st European Conference on Earthquake Engg. & Seismology. Geneva, Switzerland, 03-08 Sept., 2006	32,164

Sl. No.	Student	Conference	Amt (Rs)
59	Sanjay Kumar Parida (Y4104108) PhD(EE)	International Conference on APSCOM 2006. Hong Kong, 30th Oct - 02 Nov, 2006	20,000
60	Sanjay Singh (Y210165) PhD(AE)	AIAA Atmospheric Flight Mechanics Conference and Exhibition. CO, USA, 21-24 August, 2006	40,000
61	Shobhit Niranjana (Y2157369) PhD(EE)	10th Intl. Workshop on IEEE EDOC Conference 2006. Hong Kong, Oct. 16-20, 2006	25,000
62	Sidhant Dash (Y4429) MSc5(MTH)	ACM Technical Symposium on Computer Science Education. Covington, KY, USA, 07-10 March, 2007	35,000
63	Sonia Arora (Y3107085) PhD(CHM)	International Display Research Conference 2006. Kent, OH, USA, 18-21 Sept., 2006	33,527
64	Subhasis Sahoo (Y3100066) PhD(HSS)	XVI World Congress of Sociology Durban, South Africa, 23-29 July, 2006	40,000
65	Sudipto Sarkar (Y4205066) PhD(ME)	Numerical Methods for fluid Dynamics (ICFD-07) University of Reading, UK, 26th -29th March, 2007	25,000
66	Surya Prakash Singh (Y211463) PhD(IME)	12th Asia Pacific Management Conference. AIT, Bangkok, 17-19 Nov., 2006	10,000
67	V. Palani Ramesh (Y210867) PhD(MTH)	SIMA Conference on computational Science & Engineering, CA, USA, February 19-23,2007	40,000
68	Vaitla Laxman (Y210166) PhD(AE)	47th AIAA/ASME/ASCE/AHS/ASC Structures, Structural Dynamics & Materials Conference. New Port, RI, USA, May 01-04, 2006	40,000
69	Vimlesh Chandra (Y210776) PhD(CHM)	Gordon Research Conference 2006 Barga, Italy, NH, USA, 16-21 July, 2006	40,000
70	Vinay Budhரா (Y4212007) MT(MSP)	International Conference on "Electro Chemical Society" Denver, CO, USA, 07-12 May, 2006	40,000
71	Vipin Kumar Tripathi (Y210566) PhD(ME)	2006 NSTI Nanotechnology Conference Boston, MA, USA, 07-11 May, 2006	40,000

Department-wise break-up of student travel support

Department	Total Amount Received (Rs)
Aerospace Engineering	1,98,386
Biological Sciences & Bioengineering	29,649
Civil Engineering	2,30,361
Chemical Engineering	46,793
Chemistry	3,29,174
Electrical Engineering	3,12,850
Humanities & Social Sciences	3,59,268
Industrial & Management Engineering	10,000
Mechanical Engineering	2,58,271
Materials & Metallurgical Engineering	1,21,230
Materials Science Program	70,000
Mathematics & Statistics	3,33,185

Starting 2006-07 the Institute has started a program to give a cash award of Rs 10,000 to any student of IITK who publishes a paper in a journal listed by the ISI Web of Science. A student may be given this award for a maximum of two papers during the tenure of a degree programme.

During 2006-07, 204 students were awarded a total of Rs. 26.11 lakhs under this programme from the donations of Mr. B. M. L. Jain (BT/EE/1970), Annual Gift Programme and the Research-I Foundation.

Department-wise break-up of cash awards given to IIT Kanpur students

Department	Total Amount Received (Rs)
Aerospace Engineering	1,85,000
Biological Sciences & Bioengineering	70,000
Chemical Engineering	3,15,000
Chemistry	8,21,000
Civil Engineering	1,80,000
Computer Science & Engineering	10,000
Electrical Engineering	2,00,000
Humanities & Social Sciences	10,000
Industrial & Management Engineering	10,000
Mechanical Engineering	1,70,000
Materials Science Program	50,000
Materials & Metallurgical Engineering	2,20,000
Mathematics	1,00,000
Physics	2,70,000

Faculty Travel Support

Starting 2006-07, new faculty members are being provided partial travel support, to participate in international conferences, up to Rs. 50,000 during the first three years of their tenure at IIT Kanpur. During the year, 5 faculty members were provided this support totaling about Rs. 2.14 lakhs, through the Annual Gift Programme and the Research-I Foundation.

Sl. No.	Name of the Candidate	Conference	City	Period	Support Rs.
1	Dr. Adrish Banerjee Department of Electrical Engineering	IEEE Wireless Communication & Networking Conference	Hong Kong	11-15 March, 2007	50,000
2	Dr. Ashok Kumar Department of Biological Sciences and Bioengineering	2 nd International Symposium toward Environmentally Harmonized Energy -Conversion	Miyazaki, Japan	14-15, Sept. 2006	50,000
3	Dr. Pranab Kumar Mohapatra Department of Civil Engineering	7 th International Conference on Hydrosience and Engineering (ICHE 2006)	Philadelphia, PA, USA	10-13, Sept. 2006	50,000
4	Dr. Satyajit Banerjee Department of Physics	M2S-2006, 8 th International Conference on Material and Mechanisms in Superconductors and High Temperature Superconductors M2S-2006, 11th International Workshop on Vortex Matter	Dresden, Germany Wroclaw, Poland	9-14 July, 2006 4-9 July, 2006	15,000
5	Dr. Yogesh M. Joshi Department of Chemical Engineering	Flow in Glassy Systems	Les Houches, France	05-09, Feb. 2007	48,791

Visiting Faculty Travel Support

Starting 2006-07, a support is provided towards visiting overseas faculty. During the year, about Rs. 1.10 lakhs was provided towards partial costs of two visiting faculty, from the Annual Gift Programme and the Research-I Foundation.

Sl. No.	Name of the Candidate	University Affiliation	Host Department at IIT Kanpur	Period	Support Rs.
1	Dr. Herbert Hui	Professor of Theoretical and Applied Mechanics, Cornell University, Ithaca, NY, USA.	Mechanical Engineering	26 Feb to 28 March, 2007	49,954
2	Dr. Milan Zeleny	Professor of Management Systems, Fordham University, NY, USA.	Industrial and Management Engineering	27 Jan to 26 March, 2007	61,099

Patents

To encourage filing of patents, a part of the costs associated with patent filings is now met through the donations. Listed here are the patents on which expenses were incurred during the year 2006-07. A total of Rs. 5.76 lakh was spent on this during the year from the donations received through the Annual Gift Programme.

Indian Patents		
	Invention Title	Inventors
1	Tubular microwave sintering furnace	Dr. Anish Upadhyaya, Mr. G. Swaminathan (BHEL, Hyd.)
2	Rare-earth oxide dispersed sintered stainless steels	Dr. Anish Upadhyaya, Dr. R. Balasubramaniam, Mr. J. Shankar
3	A process for generating micro and sub-macro patterns on the surfaces or layers of polymers	Dr. Ashutosh Sharma, Mr. Rabibrata Mukherjee, Mr. Danish Faraqui, Mr. Ganesh Patil
4	An organic/polymer low information content displays	Dr. R.S. Anand, Dr. Anjali Giri, Mr. Ramesh Prasad
5	New duplex absorption process for fraction of gas mixture	Dr. D.P. Rao, Mr. S. V. Sivakumar
6	Wide band loop antenna	Dr. A. R. Harish , Mr. Ravi Kumar Joshi
7	A low complexity symbol timing estimator for MIMO modem using two samples per symbol	Dr. A. K. Chaturvedi, Mr. Ketan Rajawat
8	Conversion of vegetable oils to biodiesel	Dr. Avinash Kumar Agarwal
9	Conferring nematode resistance in plants	Dr. K. Subramaniam
10	Improved single phase phase-locked-loop	Dr. P. S. Sensarma
11	Process for generating miniaturized replicas of a 2D or 3D pattern or an object	Dr. Ashutosh Sharma

Indian Patents		
	Invention Title	Inventors
12	Two dimensional nano positioner	Dr. Anjan Kumar Gupta
13	Butt joint using reinforced adhesives	Dr. Prashant Kumar
14	Synthesis of stable nanocrystalline iron carbides by reaction milling in a dual-drive planetary mill	Dr. B. K. Mishra
15	Novel low temperature synthesis of Nd-doped bismuth titanate nanoparticles	Dr. H. C. Verma, Dr. Ashish Garg, Mr. Mukesh Roy, Mr. Prem Prakash
16	Liquid-solid radially cross-flow multi-stage fluidized bed contactor	Dr. Nishit Verma, Mr. Rupesh Verma
17	A novel viscoelastic media used for a nano-finishing of materials through abrasive flow machining process and method of manufacture thereof	Dr. Kamal K. Kar
18	Functionally graded magnetic materials and a method for preparation of the same	
19	A novel functionally graded polymer(s)/polymeric nanocomposite(s) [FGP(s)]/FGPNC(s)] having glass transition temperature variation and a process for preparation thereof	
20	Carbon nanotube(s) coated cutting tool(s) and a method for preparation thereof	
21	Functionally graded polymer nanocomposites/composites having crosslinking density variation and their manufacture	Dr. Kamal K. Kar
22	Functionally graded wide-band polymeric composites for microwave absorbers and method of manufacturing same	
USA Patents		
1	Pathogen resistant transgenic plants, associated nucleic acid molecules and techniques involving the same	Dr. K. Subramaniam

Alumni Contact Programme

During the year, an Alumni Contact Programme was initiated wherein the undergraduate students call alumni on phone and brief them about the developments at IITK and seek their support and participation. A pilot programme in the summer of 2006 with five students showed good results, and the number of students in the programme was increased in stages which went upto about 40 in November 2006.

The initiative has been very well received both by the alumni and the students. It has enabled many alumni to reconnect with their alma mater, many have contributed financially small and large sums, and some have associated with IITK in a professional manner as a result of this programme. The students, besides earning some money, find it as an excellent opportunity to improve communication skills and leadership qualities.

Opportunity College

A pilot project named "Lakshya" was launched in December 2006 to help college educated, unemployed youth in and around the campus with a minimum of Bachelors degree to improve their skills to enable them become more marketable to a prospective employer. Considering the high rate of unemployment in the nearby villages the faculty and students at IIT Kanpur started this to improve the economic conditions of the people living around the campus. IITK students were employed on part-time basis. Besides earning money, the IITK students get a chance to gain teaching experience and get sensitized on social issues. This effort was given the name of "Opportunity College."

A three-month free of cost, employment oriented training began in December and covered:

- English Reading
- English Writing
- Arithmetic and Accounting
- Computers Skills

Classes are held at the Opportunity School in the campus. The coursework is custom designed. There is one course advisor (faculty members) for each subject taught, who guides the instructors (students of IIT Kanpur) in course content and teaching methodology. In the first batch 27 trainees, 10 instructors and around 8 faculty members of the Institute were involved. Based on the success of the first batch, another batch is to start the program in May 2007.

During 2006-07 financial year, a total sum of Rs. 0.85 lakh was spent. This was covered through the donations of Mr. Ashok Roy (BT/ME/1991) and Mr. Gaurav Gupta (BT/CSE/2002).

IIT Kanpur students who taught at Opportunity College

Name	Roll No.	Dept.
Durgesh Vikram	Y6103066	PhD/CE

Annual Gift Programme

During 2005-06 IITK started an Annual Gift Programme wherein alumni and friends of IITK contribute any amount, small or large, annually. Unlike huge donations from a few individuals which vary from year to year, small but steady contributions from a large number of donors ensures renewable support. The Programme enables IITK to support several initiatives towards excellence. During the year, about Rs. 49 lakhs were contributed by 441 donors. This compares well with Rs. 13 lakhs contributed by 120 donors during 2005-06. The amount raised through the Annual Gift Programme was utilized during 2006-07 as follows:

Cash Award for Journal Publications: Rs. 12.50 lakhs.

Summer Undergraduate Research Grant for Excellence: Rs. 1.55 lakhs.

Travel Support to Students: Rs. 8.15 lakhs.

Travel Support to New Faculty: Rs. 1.07 lakhs.

Support for International Visiting Faculty: Rs. 0.56 lakhs.

Cost towards Patent Filing: Rs. 5.76 lakhs.

The balance funds are being carried forward into the next financial year.

Other Donations

	Name of Donor	Donation	Criteria
1	Dr. Gurmukh Mehta (MT/ME/1969)	M-Cubed Award (Mehta M. Tech. Medal Award)	A gold medal and certificate to an outstanding M. Tech. student of Mechanical Engineering.
2	Mr. Kamallesh Dwivedi (BT/EE/1979)	1. Swastika Dwivedi "Gargi Award" 2. Kritika Dwivedi "Maitreyi Award" 3. Anamika Dwivedi "Lilavati Award"	Rs. 10,000 each to be given on the basis of merit to three graduating B. Tech. women students.
3	Mr. Pradeep Jotwani (BT/ME/1975)	V. K. Jotwani Endowment Fund	For travel support to new faculty.
4	Pioneer Batch (Class of 1965)	Endowment for Opportunity School	To support education of underprivileged children.
5	Class of 1977	Endowment for SURGE	To enhance the culture of undergraduate research.

Build a lasting relationship...
